**Compliance of this violation has been verified on: 05/20/2026**

**Minor Violations**

N/A

**Measured Observations**

N/A

**Overall Comments:**

*Follow up inspection regarding facility closure on 05/08/26, 05/12/26, 05/13/26, and 05/14/26 for vermin infestation. This is the facility's fifth follow up inspection and proof of payment provided via text message.*

*Pest Control Report from IPM Specialist Pest Elimination Experts for service on 05/18/26 - 05/19/26 provided. Owner stated pest control company conducted a follow up inspection on 05/19/26 but no pest control report provided. Owner stated plans of receiving pest control services every 3 weeks. Discussed establishing routine cleaning schedules and practices with owner.*

*Specialist did not observe vermin after thorough inspection of the facility. Continue to follow pest control service recommendations and monitor for vermin activity. Seal any cracks, crevices, and gaps under any exterior doors to prevent entry and harborage of vermin.*

*Facility okay to operate.*

**FACILITY RE-OPENED / PERMIT REINSTATED**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/3/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
