Overall Comments:

A follow up inspection was conducted on this date as requested by Nicolas, the owner, to verify the abatement of cockroach activity as observed during the 8/4/26 complaint investigation.

On this date german cockroach activity was still observed at the following locations:

- One live adult cockroach on the floor between the three compartment sink and reach in freezer
- One live adult cockroach on the wall behind the reach in freezer
- Two live adults on the top panel of the ice machine
- One live nymph in the left hinge of the ice machine reach in panel
- One egg casing and one adult in the right hinge of the ice machine reach in panel
- One dead adult on the floor between the upright coolers and walk in cooler
- Spotting around the uncovered electrical socket behind/below the reach in freezer

- Due to continued observed cockroach activity, facility shall remain closed

- This is the first re-inspection. Subsequent follow-up inspection shall be billed at \$282/hour, minimum one hour, during normal business hour, Monday - Friday 7:30 AM to 4:30 PM, and \$645 for a minimum two hours, during non-business hours, and upon inspector availability.

- The posted placard is property of the Santa Clara County Department of Environmental Health and shall not be removed, covered-up, relocated, tampered, or copied red placard. Failure to comply may result in enforcement actions per County Ordinance Code Section B11-55.

- A facility found to be in continued operation without a permit may incur a penalty of three (3) times the operating permit fee, and fee(s) for re-inspection(s) charged at the current hourly rate approved by the Santa Clara County Board of Supervisors. Penalties and fees incurred due to enforcement activities must be paid in full prior to the issuance of an operating permit.

**** A period of 24 hours from this inspection shall pass before requesting a follow-up inspection. Please note that pest control treatments for rodents or insects may require a sufficient amount of contact time for these to be effective.**

CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 8/20/2026. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
