Overall Comments:

Verified facility receives catering from commissary kitchen and vendors, completes receiving logs for all items, and maintains all Potentially Hazardous Foods on time as a public health control. Reviewed receiving, time/temperature and sanitizer logs during inspection.

This report was written and signed at the end of site inspections.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/20/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
