Overall Comments:

This is the first follow up inspection.

Per Caleb, they have stopped doing lunch service and are only open for dinner now at 5 pm.

No evidence of vermin observed. Reviewed pest control report from 5/7/26 which indicated no pest activity.

Facility has added a door sweep to the gate door to eliminate the gap.

Continue to correct any and all pending violations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/4/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
