### Overall Comments:

**Note: 1. Food safety manager certificate: Bryan Lamas - 4/13/2027**

**2. There is a mechanical dishwasher back in the kitchen which might need to be stored under a type II hood. Please send me the specification of the dishwasher to investigate if it is a ventless type which is exempted from a type II hood requirement.**

**3. No violations were observed during the time of this inspection.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/17/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
