Overall Comments:

On-site to conduct a follow-up to the last routine inspection (dated 8/3/2026).

The following violations been verified as in compliance.

- K23: Evidence of vermin activity. Observed the facility has conducted thorough cleaning of the floors. No evidence of active vermin activity or contamination of food observed at the time of inspection. Ensure floors are kept routinely cleaned to monitor for future activity.

- K44: Gaps in the facility. Observed facility has sealed all gaps by re-aligning the ceiling panel. The facility is now fully enclosed.

Facility is scheduled to receive routine pest control services next week.

Continue to address remaining violations as cited on the routine inspection report.

Joint inspection with Kaytlen Swanson.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/18/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
