Comments and Observations

Major Violations

No major violations were observed during this inspection.

Minor Violations

K08 - 3 Points - Improperly using time as a public health control procedures & records; 114000

Inspector Observations: Per employee, potentially hazardous foods (hard boiled eggs and milk) are kept on time on as a public health control (TPHC) and are discarded after 4 hours. No written procedures available for review. [CA] When time only, rather than time and temperature is used as a public health control for PHFs, written procedures shall be readily available for review. [COS] PIC completed TPHC form during inspection.

Overall Comments:

Discussed and completed time as a public health control (TPHC) form during inspection.

Facility operates for breakfast from 6:00-10:00 AM.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/20/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
