Overall Comments:

Follow up inspection regarding facility closure on 05/08/26 and 05/12/26 for vermin infestation.

Facility shall remained closed due to evidence of a vermin infestation.

Facility is prohibited from all food service activities which include, but not limited to: preparation, service, handling, distribution, and sale.

Facility shall remain closed until vermin infestation is completely abated and authorization is provided by this Division.

Facility shall:

- Provide pest control report from a licensed pest control company that indicates the type of control measures taken and that the facility has been treated.
- Eradicate all live and dead vermin from the facility.
- Clean and sanitize the affected area(s) and equipment.
- Dispose of all food items that have been adulterated/contaminated.
- Seal holes (e.g. in walls and ceilings, repair coved base), and entryways (e.g. weather-stripping around doors); keep exterior doors closed; screen openable windows.
- Eliminate harborage inside and outside of the facility - remove unused/cast-off equipment, contributory vegetation, etc.)
- Eliminate food and water sources inside and outside the facility.
- Properly store items (e.g. at least 6 inches above floor in sealed rodent-proof/insect-proof containers; organize overly packed

and disorganized storage areas).

- Properly store and dispose of garbage and other waste (e.g. bagged wastes, keep dumpster lids closed, frequent removal).
- Facility is to remain closed until vermin infestation is completely abated.

- This is the facility's second follow up inspection. Subsequent follow-up inspection shall be billed at \$282/hour, minimum one hour, during normal business hour, Monday - Friday 7:30 AM to 4:30 PM, and \$645 for a minimum two hours, during non-business hours, and upon inspector availability. Proof of payment for second follow up inspection provided.

- Contact Specialist, Princess Lagana (Princess.Lagana@deh.sccgov.org), or DEH main line at (408) 918-3400 to schedule a follow up inspection.

- The posted placard is property of the Santa Clara County Department of Environmental Health and shall not be removed, covered-up, relocated, tampered, or copied red placard. Failure to comply may result in enforcement actions per County Ordinance Code Section B11-55.

- A facility found to be in continued operation without a permit may incur a penalty of three (3) times the operating permit fee, and fee(s) for re-inspection(s) charged at the current hourly rate approved by the Santa Clara County Board of Supervisors. Penalties and fees incurred due to enforcement activities must be paid in full prior to the issuance of an operating permit.

*Please note that pest control treatments for rodents or insects may require a sufficient amount of contact time for these to be effective.

Proof of pest control service from All State Pest Control Co. from service on 05/12/26 received.

CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/27/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
