Compliance of this violation has been verified on: 03/01/2024

Measured Observations

N/A

Overall Comments:

A follow-up inspection was conducted to verify major violation (K23: no pest or vermin) is in compliance.

K23: Observed one dead cockroach under the refrigeration unit in the dry storage room. No live cockroaches observed in the facility.

K45: Cove base under the cooking equipments observed repaired. Cracks between the mop sink and the wall observed sealed. Power strip above the work station observed removed to prevent harborage of pest.

Other major violations were not observed due to facility not operating.

Continue to work on compliance of other violations noted on routine inspection conducted on 02/28/2024.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/15/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
