Overall Comments:

Observed that the facility does not have the equipment for holding and making dumplings. Called the new owner to discuss and he stated that he will bring in some hot holding and cooking equipment. Discussed the need to change the application to say yes that he is bringing in new equipment. New owner instructed to correct application.

A food prep sink must be installed in the kitchen. The hot water heater is not visible during inspection.

Permit not issued at this time.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/2/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
