Overall Comments:

Follow-up inspection conducted due to improper holding temperatures and cockroach activity.

The following MAJOR violations have been corrected:

K07M - Improper Holding Temperatures

- Measured all potentially hazardous foods at 41F or below.
- Continue to maintain potentially hazardous foods cold at 41F or below to prevent bacterial growth.

K23M - Cockroach activity

- During time of inspection, observed the area around the warewash machine has been fully cleaned and no cockroach activity in the area.
- Ensure facility is kept free of cockroach activity at all times. Remove food and to-go materials from boxes and place in clear containers with lids to prevent harborage of vermin.
- Seal all cracks and crevices, clean and sanitize all areas with activity, and contact pest control to provide service for facility.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/14/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
