Overall Comments:

Follow-up inspection for major vermin violation

Facility was still closed and not serving food at time of inspection

- No activities require handwashing were observed
- No food was left outside or in deep fryer basket
- No food appeared to be adulterated

Two dead cockroaches present on floor behind deep fryer. Facility appears to have sealed bottom wall panel next to prep sink. Facility has pieces of sticky traps present throughout prep area.

Facility is re-opened.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/15/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
