Measured Observations

N/A

Overall Comments:

A follow-up inspection was conducted to verify major violation from limited/complaint inspection conducted on 09/11/2024 is in compliance.

K23: No new rat droppings observed in the following areas observed from the previous inspection. Bottom shelving of affected areas observed cleared out and back stocked. Observed Terminex on site continuing to sweep the premise.

Continue to maintain facility clean and free of rodent droppings. Continue to further investigate the root cause of the issue and find solutions to resolve issue.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/28/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

Legend:
