Overall Comments:

- On-site for a complaint investigation.
- Violations were observed during the complaint investigation and thus a limited inspection was conducted.
- Facility was found with additional cooking equipment during a routine inspection on 1/2/2024 and was instructed to remove the additional equipment.
 - A follow-up inspection was conducted on 1/16/2024 where this Division verified that the equipment has been removed.
 - This Division recommended facility to contact plan check for the addition of equipment.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/12/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
