Overall Comments:

While conducting other site visit to deliver a signed copy of the Office Hearing Letter (previously delivered copy did not have supervisor's signature), district inspector smelled fried food. Contacted supervisor regarding impounded equipment. Per supervisor, impound equipment again as the equipment has not been approved nor has the impound been released. This is a charged follow up inspection to reimpose equipment on site.

Employee stated that the impound sticker had been removed by the owner of the facility.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/17/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
