Overall Comments:

The dish machine now has chlorine and can be used fully. The chlorine requirement is 50ppm.

The permit for this facility was not able to be located by employees. You may request another copy of the permit to be mailed to you by calling the front desk at 408-918-3400.

On the previous inspection there was a question as to the double food safety certificates for Todd McWilliams. It is now clear that there are two employees with the same name here.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/9/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
