#### Overall Comments:

**Note: This is a follow-up to the routine inspection conducted on 1/12/2024. The facility was issued a conditional pass due to lack of handwash supplies and sanitizing solution. These violation are verified to be corrected. All the minor violations cited during the inspection are also corrected. Therefore, the facility is issue a green placard.**

**2. The name of the facility is changed, however, the owner said there is no change of ownership. I have asked the owner to email me documents from the Secretary of State which shows no ownership change occurred if she wants to change the name.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/30/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
