Overall Comments:

Follow up inspection for routine inspection on 06/16/26.

Boba and tarts (cheese, matcha, ube) not observed on site because microwave is currently nonfunctional. Shift lead stated they will be purchasing a new microwave. Ensure microwave is commercial grade.

TPHC log observed for tarts.

Shift lead stated boba will be hot held on counter-top warmer at 135F or above.

Unapproved equipment listed during the routine inspection are no longer being used at kitchen/prep areas. Manager stated the soft serve machine, syrup dispenser, and refrigeration units stored at back storage area are scheduled to be removed. Convection oven and induction burner have been removed from facility.

Any new construction, remodeling or structural change to the food facility, removing or installing new equipment, or any significant menu change, must submit complete plans to and obtain approval from DEH Plan Check. Plan check requirements may be obtained at [www. https://deh.santaclaracounty.gov/](https://deh.santaclaracounty.gov/)

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **7/7/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
