Overall Comments:

Reinspection for placard change. No roaches or contamination of food observed. The placard was changed to green. Went over previous inspections with the manager whom had not been here during the inspections. Continue to monitor and take care of the cockroach issues. Protect food from contamination.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/11/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
