**Overall Comments:**

*This is the first follow up inspection after the facility was closed for an active vermin infestation. A completed and signed checklist for reopening was provided prior the inspection. Two pest control reports were also provided with the most recent report indicating no vermin activity to be observed.*

**Observations:**

- No evidence of rodents were observed.
- Facility has sealed holes noted on the previous report.
- Snap traps and trapping stations have been placed by pest control company.
- Storage areas have been organized and cleaned.

**Note: A removed handwash sink location has been discovered after cleaning. Reinstall the handwash sink in the back of house area.**

**Facility is okay to reopen.**

**FACILITY RE-OPENED / PERMIT REINSTATED**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/30/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
