Overall Comments:

Upon follow-up inspection, found OLD rodent droppings eliminated from VIP (small) section. Per operator, there was a fire at VIP (large) section this morning around 8am. Site has been self-closed and fire department potentially responded. Observed fire propellant/residue over bottled beverages and refrigeration unit in bar area. Per operator, facility in process of discarding of damaged goods.

A follow-up inspection may be required pending fire department assessment.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/18/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
