Overall Comments:

A follow up inspection was conducted on this date as requested by Manager Nadia Benmohamed to verify the correction of the major violations observed during the 7/2/2026 inspection that resulted in permit suspension.

On this date:

- The vermin checklist and follow up pest control report from Terminix indicating correction of harborage areas and no further activity were received*
- Areas appear to be clean and were sanitized per PIC*
- No further evidence of cockroach activity was observed at this time*

Facility okay to operate

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **7/17/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
