Overall Comments:

This was a follow-up to the 4/21/25 and 5/14/25 inspections to assess compliance in regard to K23 (evidence of vermin). Today, no evidence of vermin was observed. PIC stated pest control is scheduled to perform monthly services. A recent pest control service receipt was available for review; please email a detailed report from the pest control company to mindy.nguyen@deh.sccgov.org by 6/4/25.

A \$298 fee for the second follow-up inspection will be assessed.

Due to technical difficulties, this report will be emailed to the facility.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/11/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
