Measured Observations

| Item | Location | Measurement | Comments |
|--------------------|----------|-------------|----------|
| chlorine sanitizer | bucket | 100.00 PPM | |

Overall Comments:

This is a follow up inspection.

Facility received pest control service yesterday.

No cockroaches observed at time of inspection. Facility has been deep cleaned.

Continue to clean to remove old cockroach feces droppings from the wall. Recommend to seal/caulk any openings in the shelving units to eliminate harborage areas.

Continue to correct remaining violations.

Permit has been paid and is valid. Post permit in public view when received.

Facility OK to operate.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/10/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
