Cited On: 07/16/2025

K49 - 2 Points - Permits not available; 114067(b,c), 114381(a), 114387

Inspector Observations: *The closed sign was posted due to rodent infestation. The facility was being used by a group that uses the kitchen 2 times per week. [CA] Do not use the facility until permission is given by the department of environmental health to reopen.*

At this time the kitchen may now reopen.

Measured Observations

Item	Location	Measurement	Comments
water	dish sink	120.00 Fahrenheit	
water	hand sink	100.00 Fahrenheit	

Overall Comments:

Reinspection for correction of a rodent infestation. The facility was found operating by a group that rents the kitchen twice a week. The closed placard was posted and the facility was being used at time of inspection. The facility must not be used while the permit has been temporarily suspended and the closed placard is posted. According to the city of San Jose employee the groups that use the kitchen were notified that it must not be used.

No droppings observed and the kitchen appears to have been cleaned. According to city of San Jose employee a cleaning service came out to clean the kitchen.

Continue to monitor for any rodent issues.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **7/30/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
