Measured Observations

N/A

Overall Comments:

Subsequent follow-up for facility that was closed due to cockroach infestation observed on 6/11/26.

At time of inspection:

- Facility received pest control service from licensed pest control service. Most recent service dated was completed on 6/13/26 - service report was submitted and reviewed no live cockroach activity was observed.
- At time of inspection, no cockroach activity, live or dead, was observed in the facility.
- Reopening checklist has been completed and submitted to district specialist, Princess Lagana.
- Observed minor gaps and crevices that were missed by operator. Operator shall continue to seal and eliminate openings, gaps, and crevices that may harbor vermin.
- All affected areas have been cleaned and sanitized
- Facility will continue to receive regular pest control services to assist with the prevention of vermin activity from reoccurring.

Facility is okay to resume operations.

This is a subsequent follow-up inspection and operator will be billed for \$282.00

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/29/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
