Compliance of this violation has been verified on: 08/13/2025

Minor Violations

N/A

Measured Observations

N/A

Overall Comments:

Follow-up inspection for closure due to cockroach activity.

The following MAJOR violation has been corrected:

K23M - Cockroach activity

- No live activity observed in the facility during time of inspection.*
- Reviewed pest control report for service on 08/13/2025. No activity observed on pest control report.*
- Continue to clean and sanitize all areas with activity/previous activity, and clean equipment to keep free of food debris.*
- Continue to seal cracks and crevices around outlets, stainless steel panels, and wall mounted equipment.*
- Observed the use of duct tape in areas to hang wiring. Discontinue use of duct tape to prevent possible harborage. Mount wiring and equipment properly, and seal to prevent harborage.*
- Continue to communicate with pest control to provide service for the facility.*
- Use monitoring traps in areas with previous activity to evaluate for new/current activity.*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/27/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
