Comments and Observations

Major Violations

No major violations were observed during this inspection.

Minor Violations

K01 - 3 Points - Inadequate demonstration of knowledge; food manager certification

Inspector Observations: There is not a food safety manager certified person in the facility.

[CA] Someone from the facility must take a food safety certificate class within two months and keep a copy of the certificate on file.

Food Safety Manager certificate class may be taken on the following websites:

1. Premier Food Safety:

<https://www.premierfoodsafety.com/food-manager-certification/california>

2. Learn 2 Serve:

<https://www.360training.com/learn2serve/food-safety-manager/California>

3. Serve Safe Manager:

<https://www.servsafe.com/ServSafe-Manager>

K49 - 2 Points - Permits not available; 114067(b,c), 114381(a), 114387

Inspector Observations: 48 HOUR NOTICE--

Our records indicate this facility has a delinquent account and is operating without a valid Santa Clara County Department of Environmental Health permit. The facility has an outstanding account balance in the amount of \$224.75

Payment must be made within 48 hours (2 business days) to the Santa Clara County DEH online at our website which is <https://paydirect.link2gov.com/SantaClaraCountyDEH/ItemSearch> using an account ID number AR1208948. You may also drop a business check or a crasher's check at our office address written on the top right corner.

A re-inspection will not be conducted if your account is paid in full by 10/23/2025. The facility shall remain open, and a new valid permit will be mailed after payment has been received.

If your account has not been paid in full by the Comply By date, a re-inspection will be carried out, and the facility owner may be billed at the current hourly rate per County Ordinance Code B 11-8. Non-payment of permit fees within 48 hours will result in additional legal actions up to and including facility closure.

Performance-Based Inspection Questions

All responses to PBI questions were satisfactory.

Overall Comments:

Note: 1. Food safety manager certificate: No food safety certified person.

2. The school receives its food products from the Berryessa School District Central Kitchen, reheat and serve. Any leftover is discarded after shift.

3. The school's cafeteria has two double compartment sinks used for washing dishes, food preparation, and handwashing. It is highly recommended the school has a designated three compartment wain to wash dishes, an indirectly connected sink used for food preparation, and a designated handwash stations. Until the structures are installed, please use one sink shall be used for

warewashing while the other shall be used for prepping. For the usage of prep sink, ensure to use either a container, tray, colander or some sort of equipment to store food inside while washing. Facility shall not directly place PHFs inside sink to prevent contamination.

4. According to the USDA guideline, schools serving lunch through the School Lunch program must have a written HACCP plan in place. Please keep a copy in the cafeteria.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/4/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
