A facility that submits payment of the outstanding balance within 48 hours (2 business days) of this notice will be issued and mailed an operating permit by this department. Failure to comply within 48 hours will result in facility closure and additional enforcement, including but not limited to re-inspection(s) and additional cost recovery fees.

A facility found to be in continued operation without a permit may incur a penalty of three (3) times the operating permit fee, and fee(s) for re-inspection(s) charged at the current hourly rate approved by the Santa Clara County Board of Supervisors. Penalties and fees incurred due to enforcement activities must be paid in full prior to the issuance of an operating permit.

NOTE: THE OPERATOR WAS ABLE TO PAY FOR THE PERMIT FEE AND THE RECEIPT# IS: 3919116521

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/21/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
