Overall Comments:

Second Follow Up Inspection

Did not see any live cockroaches in facility. Violation #23M from inspection report dated 1/24/24 is now in compliance. Per PIC, pest control technician did a service on 1/24/24 and came for a follow up service yesterday 1/25/24. Per PIC, all surfaces have been cleaned and sanitized. Ok to reopen.

This inspection is a charged inspection of \$290.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/9/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
