Performance-Based Inspection Questions

All responses to PBI questions were satisfactory.

Measured Observations

N/A

Overall Comments:

***Doors to facility found propped open at time of inspection to allow airflow(air conditioner not functioning). Keep doors closed to prevent entry/harborage of vermin. Provide working ventilation for the comfort of employees during times of extreme heat.**

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/3/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
