Overall Comments:

Note: 1. This is a follow-up inspection for the routine inspection conducted on 08/27/2026. The facility was issued for failing to provide access to the handwash station and for washing dishes withouts any sanitizer. During today's follow-up inspection, both violations are observed to be addressed. Therefore, the facility is issued a pass green placard. However, the above listed violations must also be corrected immediately.

2. Since this is the second follow-up inspection for the same violation, the owner shall be billed \$290.00 follow-up inspection charge.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/1/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
