Overall Comments:

Follow-up inspection to first routine inspection conducted on 12/04/2024.

K18: Facility has discontinued the use on ROP, the vacuum sealing machine has been removed.

*K35: The household equipment and refrigeration has been removed and replaced within approved units.
All counter top butane burners were removed from the facility. Facility utilizes sternos for table service.*

K45: The flooring within the rear dry storage room has been replaced with approved materials.

Continue working on obtaining a food safety manager certificate and employee food handler cards.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/23/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

Legend:
