Overall Comments:

On-site for an operator scheduled second follow-up inspection after facility was closed due to evidence of a cockroach infestation.

The following documentation was provided prior to the follow-up inspection:

- 1) Two separate pest control service reports from licensed providers stating that the facility has been treated since the last follow-up inspection. Second report stated no live or dead cockroach activity observed.*
- 2) Signed and completed vermin reopening checklist*

During the follow-up inspection, observed no evidence of live or dead cockroach activity.

Per operator, facility is to be serviced weekly for at least the next month.

Facility may now be reopened and resume normal operation.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/20/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
