Follow-up By 10/03/2024

Our records indicate this facility is operating without a valid permit and has a delinquent account. Your balance due is \$ 1,148.00. Payment must be made immediately to DEH at the address at the top of this report or via our website at www.Ehinfo.org.

A facility that submits payment of the outstanding balance within 48 hours (2 business days) of this notice will be issued and mailed an operating permit by this department. Failure to comply within 48 hours will result in facility closure and additional enforcement, including but not limited to reinspection(s) and additional cost recovery fees.

A facility found to be in continued operation without a permit may incur a penalty of three (3) times the operating permit fee, and fee(s) for re-inspection(s) charged at the current hourly rate approved by the Santa Clara County Board of Supervisors.
