Overall Comments:

Onsite for a limited inspection to evaluate vermin activity.

Joint inspection with Shannon R.

Inspection conducted alongside PIC, Damaris

Facility is treated by Western Exterminator. Per latest report on 7/14/2026, no vermin activity was observed. Technician stated they were onsite due to reported cockroach sighting. Damaris stated the facility reported cockroaches in the shared hallway access of the mall and that their door sweep at the hallway entrance had fallen off. Per PIC, they are in the process of replacing the door sweep. Per PIC, they have not seen other activity in the facility but have seen cockroach issues in the restrooms and dining area.

No vermin violations observed.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/18/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
