Overall Comments:

On site for follow up inspection.

No observations of dead or live cockroach activity in the facility.

Facility has cleaned floors and fixed loose panels.

Pest control reports and checklist provided through email.

Per owner, facility is schedule for another pest control service follow up later today and then twice a month. She also mentioned more structural work will be done to ensure there are not openings or holes.

Continue to clean facility of any grease or food residue and obtain regular pest control services to prevent vermin infestation.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/4/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
