Overall Comments:

Follow up inspection regarding closure notice on 12/02/2025 for rodent activity.

Specialist did not find evidence of vermin after thorough inspection of the facility. Exclusion measures completed. Pest control report and checklist provided to Specialist.

Owner stated pest control services will take place biweekly.

Continue to follow pest control service recommendations and monitor for vermin activity.

Facility okay to operate.

K07 Proper hot and cold holding temperatures: discussed proper hot holding temperatures and procedures with Owner. No food observed being hot held at the time of inspection.

K13 Food in good condition, safe, unadulterated: corrected

K23 No rodents, insects, birds, or animals: corrected

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/18/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
