Overall Comments:

A follow-up inspection was conducted to verify major violation from routine inspection conducted on 03/10/2025 is in compliance.

K06: The handwash sink in the kitchen observed repaired and waste water properly draining into the floor sink. Employees are now able to use the handwash sink.

Continue to work on violations noted on the last inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/27/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
