WARM WATER	HANDSINKS, RESTROOM AND KITCHEN	100.00 Fahrenheit	

Overall Comments:

Notes:

- Per PIC, kitchen and bar are only used by caterers during private events. No cooking occurs at this facility. Coffee is prepared but is only for facility employees, not for customers. *****ENSURE CATERERS HAVE VALID ENVIRONMENTAL HEALTH PERMITS.*** Contact DEH at (408) 918-3400 for any questions about caterers.**

- Observed multiple dead cockroaches inside a sticky trap in the front bar area. Employee stated the facility receives pest control services once every few months, and that the sticky trap with the cockroaches was placed there in December 2025. Highly recommend obtaining professional pest control services at least monthly.

- Ensure all handsinks are fully stocked with soap and paper towels when the kitchen/bar are in use (e.g. for catered events).

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/7/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
