Overall Comments:

Subsequent follow-up for dead cockroach observed during previous two inspections.

At time of inspection, no evidence of vermin were observed, alive or dead. Facility had received additional pest control services on 2/16/26 and 2/18/26. Service reports reviewed, and spoke with pest control technician who notes that there are no vermin activity inside the facility.

Observed facility has taken preventative measures and began to seal gaps and openings that are found within the facility.

This is a subsequent inspection and will be charged \$298.00

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/5/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
