Overall Comments:

Follow up inspection for routine inspection on 02/27/2025 regarding evidence of dead cockroaches. During the inspection, Specialist found no evidence of cockroaches at the facility. Per Manager, Terminex came today to conduct a pest control service. Service report provided and noted German cockroach activity. Manager stated that the facility shall now receive monthly pest control services from Terminex.

Ensure continued monitor activity for vermin and to follow pest control company recommendations. Maintain food and non-food contact surfaces clean and free of debris.

Discussed ensuring all entry doors are maintained closed to prevent entrance of vermin.
