Overall Comments:

Facility does not cook foods for residents anymore ever since 2020.

Facility receives pre-cooked foods from Linked-In and Zanattos and are distributed to the residents for immediate consumption. Peninsula Food Runners is the entity that brings food from Linked-In and Too Good To Go is the entity that brings food from Zanattos. Facility also has a brown bag service where groceries are placed into brown bags and are distributed to residents.

Facility's permit will be re-evaluated and changed accordingly to the type of current operation.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/23/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
