Overall Comments:

This is a follow up inspection to verify that all major violations mentioned on 7/20/26 inspection report have been addressed. Major violations have been addressed and found within compliance:

- K21: Hot and cold water available. Hot water has been restored to the facility see measured observations.

- K23: No rodents, insects, birds, or animals. No evidence of vermin within the facility at the time of inspection.

- K41: Plumbing approved, installed, in good repair; proper backflow devices. Mop sink is draining properly.

Continue on working on any other violations mentioned on 7/20/26 inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/11/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
