--48 HOUR NOTICE--

Our records indicate this facility has a delinquent account and is operating without a valid permit.

Total account balance due is 1533.75 \$

Payment must be made within 48 hours (2 business days) to DEH at the address at the top of this report or via our website at www.Ehinfo.org

Previous written notification of account balance was provided in a Delinquent Permit Letter.

The right to an administrative hearing was waived for failure to respond to the Delinquent Permit Letter. A re-inspection will not be conducted if your account is paid in full by the Comply By date. The facility shall remain open and a new valid permit will be mailed after payment has been received. If your account has not been paid in full by the Comply By date, a re-inspection will be performed and the facility owner may be billed at the current hourly rate per County Ordinance Code B11-8. Non-payment of permit fees within 48 hours will result in additional legal actions up to and including facility closure.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/28/2019**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
