Overall Comments:

NOTE

- This is the first routine inspection since final inspection that was conducted on (3/18/25). On site to verify that no additional items have been added to the facility without approval from this department.

- Only one additional piece of equipment has been added to the facility, a electric steam table (Vantco). The unit is under the hood system. Equipment is approved to be used within facility.

- No additional equipment is added to facility.

- Facility is not using all the equipment on site. Keep all equipment in a sanitary manor or it may have to be removed.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/22/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
