Overall Comments:

Observed slushy machine on site. Slushy machine is emptied at the time of inspection.

Information of plan check is given to PIC. Please submit plans for slushy machine and 3 compartment sink installation.

Slushy machine and 3 compartment sink will be impounded if found operating.

A copy of the plan check application is given to PIC at the time inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/28/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
