Overall Comments:

Facility is planning to install a chest freezer and store it outside of kitchen (space will have overhead covering but not fully enclosed). Per Person in Charge (PIC), chest freezer will be used to store commercially pre-packaged food from its original sealed packaging. Specialist to conduct file review and provide directives to PIC (jane. pelcher@linkshealth.com)

Temperature and sanitizer logs observed.

PIC mentioned potential remodeling plans. Discussed with person in charge that any new construction, remodeling or structural change to the food facility, removing or installing new equipment, or any significant menu change, must submit complete plans to DEH Plan Check. Plan check requirements may be obtained at [www. https://deh.santaclaracounty.gov/](https://deh.santaclaracounty.gov/)

Plan Check General and Technical Questions:

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/23/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
